

Greens Farms Association Monthly Board Meeting

Held on Wednesday, December 11th, 2024, via Zoom

Members Attending: Art Schoeller, Peter Gold, Liz-Ann Koos, Kat Palmer

Special guest: Mike Jacobsen

1. Tighe & Bond consulting group are managing the Safe Streets project. Dick Lowenstein and Art Schoeller raised their concerns with Greens Farms Road not being included in their study. The firm has agreed to include Greens Farms Rd in their transportation corridor. Dick will continue to follow up with them on their findings.
2. No further update yet from the Conservation Dept or Town Engineer regarding the intersection of New Creek Road and Beachside Avenue. Vehicles continue to drive off the road next to the marsh which creates hazardous conditions for both vehicles and pedestrians in addition to disturbing the marsh area. Kat Palmer has followed up again with additional photos taken.
3. Art introduced Greens Farms neighbor, Mike Jacobsen, who is possibly interested in joining the GFA Board. Due to the light Board meeting attendance, no vote took place to confirm a new member.
4. The next meeting is set for Wednesday, January 8th, via Zoom at 7pm.
